Bad Ass Custom Truck Parts is setting the new standard in the heavy duty truck rod market with style and attitude all its own.

Offering a 5 year warranty on all our parts and a LIFETIME WARRANTY against star and spider cracking. It is the new standard in our industry. We also offer a Bad Ass hidden bracket system that won't break off. Parts come in a paintable Gel Coat Finish.

Rear Fender Brackets available for all suspensions
Standard brackets \$500
Flip-up brackets \$700

Bad Ass Custom Truck Parts has 35+ years of fiberglass experience and we offer the toughest and longest lasting fender on the market today. We also offer more styles than any other company on the market.

OUR COMPETITORS FENDERS

At Bad Ass Custom Truck Parts, if we don't have the part you're looking for, we can build it. Bad Ass Customs will continue to add to our lineup of custom truck parts and raise the standard of quality parts for others to follow. We don't only stand behind our products, we park on it!

If you want your fenders to look like this after 1 year then buy fenders with a balsa wood core or no liner at all. Don't believe them when they say they have the strongest on the market.

*We proudly offer a 10 percent discount to the following
 US Military, Chi Town Large Cars, Mercer O/O, Landstar O/O,
 Southern Pride, & Pure Country Livestock*
